INT. SITUATION ROOM - DAY

Where Rob, Justin, Paul and SEVERAL CIA OFFICIALS, including CIA DIRECTOR LOWRY, and a YOUNG CIA OFFICIAL, mid-20s, are deep in discussion.

Start

DIRECTOR LOWRY

It's all being conducted on what we call the Dark Net. Basically, you've gotta be invited to the dance. We weren't but some of our old friends from the Shining Path were.

IMAGES of three tough looking guys appear on a monitor.

ROB

Great. We're in business with a literal Murderers Row.

DIRECTOR LOWRY

I'll admit none of these folks are in line for a Nobel Prize. What they do have is terrorist street cred and Peruvian drug money.

JUSTIN

How much?

DIRECTOR LOWRY

Enough to get into that world. Probably not enough to for us to secure the asset.

PAUL

Then why bother?

And that brings the proceedings to a halt.

DIRECTOR LOWRY

These people aren't stupid. They can smell the CIA a mile away. Using our friends here as a proxy, we can monitor all their moves. Whoever has the asset will eventually have to disclose their location. When they do, we'll be able to move in.

PAUL

And you'll get there in time?

DIRECTOR LOWRY

We think so, yes.

And as we see this answer doesn't sit well with Paul, Justin jumps in --
