WINNIE

(IS SHE INSANE) Andrea. Please...
tell me you're not serious. I'm
going to be playing in events all
over this country, walking the
length and breadth of some of our
finest courses with a golf bag
that has Gynolotromin emblazoned
on it in foot-high letters?
People will take one look and
expect samples!

ANDREA

I don't think that will be the
case at all.

WINNIE

What's happening, Andrea? I used
to have eleven endorsement deals,
now I only have one?

ANDREA

Look at it this way. From now on,
when you call me to talk about an
endorsement, I won't have to say
"Which one?"

SHE LAUGHS, TRYING TO BRIGHTEN THE MOMENT, BUT QUICKLY
REALIZES THIS WAS A POOR CHOICE.

(MORE)

ANDREA (CONT'D)

Wrong thing to say. Wrong, wrong,
wrong. Okay, honesty time, honey.
You're getting older...

WINNIE STARTS TO CRUMPLE IN HER SEAT, BUT ANDREA HAS HER
BY THE HANDS AND SHE PULLS HER BACK UP.

ANDREA (CONT'D)

You're a fighter, come on. This
might be the time to think about
the...mature market. ~~the...mature market.~~

WINNIE

Kill me. Please kill me.

ANDREA

I'll do no such thing. Listen to
me, Winn...I've got an advertiser
looking for a...youth deficient
female golfer...to do a series of
television spots. It's national,
the money is very good...

WINNIE LOOKS UP, A GLIMMER OF HOPE SPREADING ACROSS HER
FACE.

WINNIE

What do I have to do?

ANDREA

You take a golf ball, you stain it
with blueberry juice, then you
drop the ball into a glass of the
product while it's all fizzy.

"The Long Game" - Tolan

WINNIE

It's a...denture cleanser?

ANDREA

It's a wonderful product that has helped toothless people the world over.

WINNIE GETS UP FROM THE TABLE.

WINNIE

I can't do it, Andrea. It starts with the denture cleanser, then I'm pushing the adjustable bed... pretty soon I'm telling people I can play a full eighteen holes without worrying and June Allyson is out of a job!

ANDREA

Fine, We'll talk about this some other time. There's a pro-am event on Monday, they had a girl drop out, I said I'd ask you. It's here in town...a charity for a local hospital...they'll team you up with a celebrity and two normal human beings, you'll play a quick eighteen, grab your check and be home in time for Oprah.

*give her
this
app!*

WINNIE

A celebrity thing? Yeah, that's
how I want to spend my Monday.
Stuck on the back nine watching
Don Knotts and Dick Van Patten
compare gall bladder scars.

ANDREA

You'll be partnered with George
Wendt from "Cheers."

WINNIE

Even better. I played with him a
few years ago. Every time I bent
down to set my tee, he'd start
with "I see London, I see France."

ANDREA GETS UP TO GO.

ANDREA

You'll have a wonderful time. Get
me an autograph. And think about
what I said. June Allyson makes a
nice living from those commercials.
She's very comfortable.

WINNIE

She's comfortable...and confident.
Goodbye, Andrea.
