BERTO

JOEL

We made a decision. We have a course of action. You have to stop second guessing it every five minutes.

(calling out)

Come on, kids. Let's go. We're gonna be late.

Joel starts to leave, feels bad and turns

JOEL (CONT'D)

I'll be home early again tonight. We can talk about it then.

~~But he's obviously not thrilled about it. We hold on... frustration mounting.~~

INT. BERKELEY - DREW'S DORM ROOM - DAY

It's your standard crappy Berkeley dorm room and it doesn't look like Drew even lives here. The whole room is filled with lacrosse shit. A LOT of lacrosse shit.

Drew enters. Berto is bouncing a lacrosse ball against the wall.

START → 'Sup, dude. BERTO

DREW

'Sup, Berto.

Drew starts to change. It's awkward for him. He keeps his robe on as he slides on some shorts. The bouncing lacrosse ball knocks over something on Drew's desk. Berto doesn't even care. Drew looks over, working up the courage to say what needs to be said.

DREW (CONT'D)

So...Berto. Do you maybe have a minute to talk about something?

BERTO

Sure. 'Sup, bro?

DREW

I just thought it would be good to talk about--

(noticing)

Are those my sheets?

Jack Kallal - playing "Berto"

BERTO

Oh, yeah. I was out of sheets and yours were there. Why? Are you not cool with that?

DREW

No. I guess not. And about those two nights when you were... You know, when I got locked out. I actually have an eight a.m. class on Tuesdays and Thursdays.

BERTO

Dude. Rough. I would drop that shit if I were you.

DREW

Yeah. It's pretty rough. But the class is cool so...

BERTO

Where'd you end up sleeping?

DREW

My sister lives not too far from here.

BERTO

Sister? Man, no wonder you're pissed. Can I give you some advice? Next time it happens, use it to your advantage.

DREW

I'm not sure I-- How does that even make sense?

BERTO

Knock on a girl's door. Like that girl in the bathroom you're hot for.

DREW

Natalie?

BERTO

Yeah, Natalie. Knock on her door and be all, "my dick roommate sexiled me." She'll be all "oh, poor thing. Come in so I can comfort you."

DREW

Oh, yeah. That's a good idea. But hopefully it won't happen again. The sexiling thing.

BERTO

Bro.

Then he just laughs like that explains everything.

BERTO (CONT'D)

Good talk, dude.

He slaps him on the back and exits, taking his lacrosse stick with him. Drew has no idea what just happened.

~~STOP~~

EXT. ZEEK & CAMILLE'S HOUSE - DAY

~~A host of items from the Pumpstation (or similarly named lactation specialty store) sit atop the Pontiac. Zeek is examining the items, awed. Crosby is underneath the Pontiac.~~

CROSBY

Wow, zero rust.

ZEEK

It was garaged. The guy never drove the thing in the rain.

CROSBY

Awesome find.

Zeek is examining a bottle shaped like a breast.

ZEEK

Son, I'm just going to say it. That thing ain't right.

CROSBY

The lactation consultant told me that babies respond to the realistic nipple feel.

ZEEK

Babies respond to being hungry. If she needs to eat, she'll eat.

CROSBY

Well, mine won't.

ZEEK

How much did all this stuff cost you?
