DONNA:
Jackie, you had sex with him!

JACKIE:
I know I did, but we didn't talk!

DONNA:
You have to tell Kelso! If you don't, I will.

JACKIE:
Thank you Donna, thank you! Oh! Thank you!

SHE hugs her. SHE runs to the door.

Donna - DONNA:

We're friends?

DONNA:
Shut up. Jackie, I went on the pill.

JACKIE:

Oh my God, you are gonna be so popular!

DONNA:

Jackie, I didn't do it to be popular. I did it because I am not gonna get stuck in this stinky little town!

Strong -

JACKIE:

Okay, well, you know they're building a Kmart on Franklin.

DONNA:

Jackie, when this E.R.A passes, I'm gonna be able to do whatever I want. And so will you if you don't screw it up now!

Dean

JACKIE:

Um, so Donna, tell me more about this pill. Does it do anything weird to your hair?

DONNA:

Only above your lip.
