DORIS
Try mine, Frank.

FRANK
I bet it's delicious.

MYRA
Yeah, if your taste buds are dead.

IRENE
Real sensitive, Myra. She's not even cold. Unlike your eggplant parm.

Cameron crosses in with a plate.

~~PHIL~~
~~What's going on?~~

CAMERON
~~It's~~ a feeding frenzy. They're all over ~~him.~~ They're practically measuring the ~~windows~~ for new drapes. It's disgusting.
(calling off)
Irene, I must have this recipe.

MYRA
It's probably on the soup can.

FRANK
(re: casserole)
Ooh, potato chips on top, I feel like a king.
