INT. KATH'S CONDO - DAY

Kim is on the couch, eating and watching TV. Heather enters.  
She is wearing some makeup and her hair looks clean.

Test Sides

KIM  
(disgusted)  
Oh my god.

HEATHER  
I know, I'm working it. I'm going  
speed dating at Molly Malone's. Isn't  
that cool?!

KIM  
Hand me that bag of corn nuts.

HEATHER  
They promised ten guys for an entry fee  
of fifteen dollars. It includes a  
coupon for buffalo wings. It's like  
perfect.

KIM  
You really think you're ready for ten  
dates in one night? You've never even  
been on one.

HEATHER  
Yes, I have, Kim! I went to prom.

KIM  
With your cousin.

HEATHER  
Well, he tried to make out with me.

KIM/HEATHER  
Ew./ Ew.

HEATHER  
Okay, I need fashion advice. I've  
narrowed it down but I can't decide...  
(then, holding up two very  
similar T-shirts)  
Which t-shirt should I wear for my  
dates?

KIM  
I don't know. The one with the pattern  
is less ugly.

KATH + KIM

HEATHER

Pattern? What?

(looking closer)

Oh. That's a Butterfinger McFlurry stain. Better wear the other one.

Thanks.

(then)

Any other tips from the master.

KIM

I'm busy. Christina Aguilera is on "Ellen" today. She's going to breast feed her baby live.

HEATHER

Please, Kim! The pressure is intense!

KIM

Ughh. Fine.

HEATHER

Okay, what do I do?! Tell me everything.

KIM

'Kay, I'm the guy.

(like a guy)

Hey, what's up?

HEATHER

(hugging her)

Yes!

KIM

Heather! You can't seem as desperate as you are. That's a total turn-off. Try again.

(then)

Hey, I'm Pete, what's your name?

HEATHER

Mrs. Pete!

KIM

God! Lame! You have to totally ignore them. Treat them bad. Be a bitch.

(then)

I miss dating. Plus, I could really go for buffalo wings.

HEATHER

Oh no, Kim if you go then all the guys will want to be with you.

(MORE)

43

HEATHER (CONT'D)

Like in high school and behind the parking lot at Dairy Queen. I mean, I feel like this is my chance to maybe really meet a guy.

KIM

I'm going.

HEATHER

K.

KIM

(looks at the good t-shirt)

Ooh.

(grabs it)

I'm gonna cut the sleeves on this and wear it as a mini-dress with my fake-Gucci chain belt. Very Paris pre-jail.

As they walk off.

HEATHER

I'll just wear the one with the stain. Or I could wear those jeans you have that say "bad ass" on the butt.

KIM

Never.

HEATHER

This is gonna be hot. The two of us picking up guys.

KIM

Don't make eye contact with me.

HEATHER

'Kay.
