JASMINE:

Before I moved here I was living in Atlanta, Georgia. My childhood was a nightmare. I was raped by my dad when I was thirteen. Instead of my mother protecting me, she blamed me. She called me all kinds of names and eventually I ran away. When I was fourteen I met this guy named Alonzo. He was so charming. He protected me, and promised to take care of me. Next thing you know he introduced me to drugs, sex, and money. When I was eighteen he hooked me up with a job as a stripper at a strip club called "X'Posed." After a while I was on the street corner selling my body. He became obsessed with me, and that led to the abuse. I thought that he loved me, until one day he beat me so bad that I felt like he was going to kill me. I examined my life one day, and realized that I have big dreams. If I wanted to make my dreams come true, then I had to get away. I saved up enough money on the streets to pay for my plane ticket fly to Hollywood. Now he came here to follow me, and he found me!

(JASMINE begins crying and sobbing)

SADE:

We have to call the cops....

JASMINE:

No! No! He won't find me here. I promise.

SADE:

Jasmine this is serious. He could kill us both.

JASMINE:

He won't! Eventually he will give up and just go back to Georgia. I promise! I just want to get back to my normal life, and find some gigs. Is it okay if I stay here for a while?

SADE:

I don't know Jasmine....

JASMINE:

Please.... You are the only person that I know here in LA. Please!

SADE:

Ok. Just go take a shower, and I will fix you something to eat.

FLASH TO:

Ext. OUTSIDE/ SIDEWALK

*(JEFF walking outside and gets a call about a Record Deal in New York)*

JEFF:

Hello, Jeff speaking. Really? Wow! Yes I want to accept the deal! I can't believe this is happening? .....Where?

*(JEFF hesitates)*

Um...well let me think about it and I'll get back to you.
