

DR. BRYANT

There's no telling how many cases
will be effected by this.

EXT. COURTHOUSE - DAY

THOMPSON is walking toward the step of the courthouse when he
approached by Virginia.

VIRGINIA

Mr. Thompson. May I have a word
with you?

THOMPSON

Not now, Miss Wilcox. I have to be
in court in two minutes.

VIRGINIA

Why hasn't my son's case been re-
opened?

Thompson stops.

THOMPSON

What do you mean?

VIRGINIA

I heard about Detective Brenner. He
was the lead investigator on my
son's case. Doesn't this mean you
have to review all the cases he's
worked on?

THOMPSON

I don't know what you heard, Miss
Wilcox, but there has not been any
accusations that I am aware of
against Detective Brenner. Let's
not jump to any conclusions. Now if
you'll excuse me...

Thompson heads up the steps.

VIRGINIA

My son is innocent.

THOMPSON

Please, have your attorney contact
my office if he has any concerns.
