ANDY
So hot, babe.

APRIL
Leslie called this her "fun" suit.

She reaches into the pocket and finds...

APRIL (CONT'D)
It's a ticket stub from a Fleetwood Mac
concert in 1995.

She then pulls out a very old condom in its wrapper.

APRIL (CONT'D)
Oh my God. I'm learning way too much
about that night.

DONNA
This one is terrible, but it's slightly
less terrible than the others.

APRIL
All right. Tomorrow, Donna gets me the
informational fliers, Andy helps me set
up, and I lead a public forum in Leslie's
Fleetwood Mac sex pants.

ANDY
(like at the end of a huddle)
Break!

INT. SPERM BANK OF AMERICA - CONSULTATION AREA - LATER - D2

Ann and Leslie sit with a consultant, RACHEL LERPISS. Ann
flips through a LARGE BINDER.

Start →

RACHEL LERPISS
Let me just get some details, for your
file. Now are you two a couple?

LESLIE
No. Tragically we are both heterosexual.

RACHEL LERPISS
And, Ann, what are you looking for in
particular?

ANN
...Some sperm?

RACHEL LERPISS
No, in terms of attributes, in a donor.

Rachel

ANN

Oh, right, well I guess someone healthy and that isn't... a murderer? I don't know. This is all new to me.

RACHEL LERPISS

(comforting smile)

Here -- flip through this binder of info sheets for our candidates. Circle any donors that interest you, and I'll be back shortly.

She leaves. Ann flips through.

ANN

Oooo, this guy went to Harvard.

LESLIE

Well, so did the Unabomber.

ANN

This guy has a Ph.D. in mathematics.

LESLIE

So did the Unabomber. Seems like a lot of these guys are Unabomber-y.

JOE (O.S.)

Hello, ladies. Fancy meeting you here.

They turn to see SEWAGE JOE strutting out of a room.

LESLIE

Sewage Joe! I haven't seen you since you were fired for emailing every woman in city hall pictures of your penis.

JOE

(cocky smile)
Guilty.

ANN

Yes, that's what the judge said.

LESLIE

So, you're one of the donors here, huh?

JOE

Big time. Me and all my buddies. Free money, free porn? Best job I've ever had.

(sotto)

Also, if you guys are lookin' to buy some weed, I am... lookin' as well.
