Wanda: I hate elevators. And glass elevators are worse.

Inez: Now calm down Wanda. Look down there.

Wanda: I can't.

Inez: Yes, you can. Just take your time. It's important. There you go. There are hundreds of men down there. Men from all over.

Wanda: And no one wants me.

Inez: Wrong. Did you do like I told you?

Wanda: Yes

Inez: You're not wearing any underwear, right?

Wanda: Right. But I think that's the craziest thing I ever heard of.

Inez: I'm not wearing any either.

Wanda: Maybe you are and maybe you aren't.

Inez: I'll show you.

Wanda: I believe you Inez. Goodness.

Inez: Now look close at those men down there. What are they doing?

Wanda: They're waiting for the light to change?

Inez: No, Wanda. They're looking up our dresses. That's why we didn't wear any underwear.

Wanda: That's dirty, Inez.

Inez: It's life, Wanda. Tilt your skirt, Wanda, let them see your power.

Wanda: It's nasty.

Inez: Don't you want to feel good about yourself? Don't you want the power?

Wanda: I don't think of my na na as power.

Inez: That's a big mistake, Wanda, cause it is. It's the most powerful thing in the world.

Wanda: I feel like a fool.

Inez: They're adoring us. Close your eyes and see them. Feel them look, feel them adore, feel them desire.

Wanda: I'm feeling very warm, Inez.

Inez: It's the power. The energy. The power is surging. Let it fill your body. You are the power. Say it, Wanda. Say, "I am the power. Come on, Wanda."

Wanda: I am the power.

Inez: I am woman! All powerful.

Wanda: I am all powerful woman. You're right, Inez. They are looking. They want me. And I love it. I love it.. love.. love love it. Look at me, all you puny little men, See my na na and shake with desire.

Inez: You don't want to overdo Wanda. The elevator is beginning to shake.

Wanda: Love me. Love me. Do you hear me? I am the power. I am the glory. Fall on your knees and worship me. I am Wanda the wonderful!

Inez: Wanda! Calm down.

Wanda: I was really depressed.

Inez: I know . You're going to feel great for the next week or more.

Wanda: You think so?

Inez: I know it.

Wanda: Do you think we could do it one more time just to be sure?
