

KATHY (CONT'D)

We don't have the right qualifications
in the shlong department.

VANESSA

You're right, why are we mad at each
other when the real bad guy at Paxon
is the old boy network.

KATHY

Absolutely. From Calvin on up, it's a
sausage fest. Always has been. And
you know the real passer? Calvin
doesn't even have a PhD. (HORRIFIED)
A masters -- from Louisiana State.

VANESSA

Whoa. They're awesome at football.
(THEN) You know what we should do?
We should bury Calvin in a pile of
lonsdaleite.

KATHY

Or cat poo. I know where I can get a
ton of it.

VANESSA

With his puny little degree, he'll
never figure out how to dig his way
out.

VANESSA (CONT'D)

Yeah. He'll be all, "My diamond bit
isn't working. And I'm drilling at
pressures exceeding ninety-seven
GPa's." What a boob.
